**INTERTEK WARNS OF POTENTIALLY
HAZARDOUS cETL_{US} CERTIFIED PRODUCT**

Intertek Testing Services notifies consumers, retailers and distributors that the Peachtree Recessed NON-IC Type Downlight Compact Fluorescent Luminaries, model PSFT manufactured before April 13, 2012 bearing a cETL_{US} Certification Mark may present a safety hazard.

Hazard: Lights may overheat, causing the conductors to become brittle and the insulation to fall off.

The number of products bearing the Certification Mark that have been produced or released into the market is unknown.

Name of Product: Recessed NON-IC Type Downlight Compact Fluorescent Luminaries
Brand/Manufacturer: Peachtree Lighting
Manufacture Date: Prior to April 13, 2012
